No but Ari's last Top 5 as a lead artist was this year. Xtincts was....2005? Always living in someone's more successful shadow it seems. Plus Susan Boyle is a Fad unlike Ariallah but her and Xtinct can relate at that.

'last top 5 as a lead was this year' is this supposed to be impressive? She debuted like 3 years ago.

- 0 Multiplatinum albums in pure sales
- 0 solo top 5s let alone #1s
- 0 grammys wins
- 0 hits without features or Max Martin
